Without a written deregistration we will assume, that the contract will be extended automatically and your kid will continue visiting the present offer. In case of an early recline, there will be no claim for a refund of your fees. In case of absences **longer** than a month, which are caused by an accident or a sickness and can be proved by a doctor report, the missed practices can be caught up in the next semester. Should a recline due to unforeseen reasons be made before mid-January / mid-August, the fee will be due until the end of March / end of September. The practices during this period can be attended. The invoicing will be half-yearly. Athletes joining during the semester pay the fee in rates from the date of entrance. Payment terms: 30 days net from the date of the bill.
